

WHY SUPPORT MAAE?

MAAE REPRESENTS
A STATEWIDE COALITION
TO EDUCATE,
ADVOCATE AND
SUPPORT ARTS EDUCATION

We're producing a stronger impact as a coalition than any one member could on their own.

We're awarding those who contribute to arts in education.

We're helping Massachusetts recognize the importance of and plan to support arts education.

We're supporting art educators by providing professional development.

LOOK AT WHAT WE'RE DOING...

- * Co-hosting a spring conference highlighting state and national arts education models, research, and funding, in collaboration with National Arts & Learning Collaborative, Lesley University and Massachusetts Cultural Council,
- * Recognizing individuals and organizations for exemplary achievement in arts education at the Champion of the Arts Award Ceremony, to be held concurrently with the spring conference,
- * Providing technical assistance, in partnership with MCC, for communities administering an arts audit,
- * Conducting an arts education survey, in partnership with NALC, of Massachusetts public schools,

And more...visit our website for updated information.
